S'mores for Sharing

A close-up photograph of a stack of s'mores. The stack consists of several layers of graham cracker crumbs, melted marshmallows, and chocolate chips. The top layer is topped with a drizzle of chocolate sauce and more marshmallows.

KRISPY MIX

- 4 tablespoons salted butter
- 8 cups marshmallows
- 4 cups puffed rice cereal (like Rice Krispies)
- 4 graham crackers

S'MORES LAYERS

- 1 cup mini marshmallows
- 1 graham cracker
- ½ cup milk chocolate chips

INSTRUCTIONS

- 1** Crush the graham crackers into large crumbs or chunks in a ziplock bag or bowl.
- 2** Grease an 8 inch pan with non-stick spray.
- 3** Heat the butter in a large saucepan that is large enough to accommodate all of the marshmallows. Add the marshmallows to the pan and turn down the heat to low. Stir frequently until the marshmallows have melted. Be careful not to let the marshmallows brown or burn.
- 4** Remove the pan from the heat and stir in the Rice Krispie cereal, slowly adding a few cups at a time. Stir in the graham cracker crumbs until evenly distributed throughout the mixture.
- 5** Spread half of the cereal mixture into the prepared pan and spread out quickly. Sprinkle half of the chocolate chips and half of the mini marshmallows on top. Spread the remainder of the cereal mixture over this layer.
- 6** Top with the remaining chocolate chips, marshmallows and one crushed graham cracker. If desired, melt ¼ cup of chocolate chips and drizzle on top.
