

# NON-HAZARDOUS PRODUCT STATEMENT

## LATEX CALIBRATORS

Rev. 1.0 - 2015.07.01

This is to declare that the product:

**LATEX CALIBRATORS**

**REF: SI 305.400-A / SI 305.402-A**

**IS NOT CLASSIFIED AS HAZARDOUS**

According to OSHA 29 CFR 1910 requirements and to Hazardous Products Regulations (HPR) (SOR/2015-17)

Therefore:

- The product listed above does not contain substances classified as hazardous under the referenced regulations; and
- is non-hazardous to the environment and poses no health risk or physical hazard
- the preparation of Safety Data Sheet is **NOT REQUIRED**.

Despite the classification as non-hazardous, we recommend carefully reviewing the product inserts/data sheets and using good laboratory practices such as avoiding unnecessary contact, immediately soak up and discard any spillage, and use of personal protective equipment (which may include chemical resistant gloves, eye protection and lab coats) during the use of any laboratory reagent.

Please remind that the product disposal must be carried out in accordance with the legislation in force and local regulations.

Please contact [sts@alifax.com](mailto:sts@alifax.com) if you have any questions or need additional safety information.
